Info

FROM: Nicosia

TO: Secretary of State

NO: 536, May 9, 5 p.m.

EMBTel 530

We have following additional comment re paragraph 7 relating to agreement on privileges. Foreign Minister has thus far talked only about fees for driving licenses and auto registrations. Road tax has not been mentioned and we do not propose to raise it but believe we also should be prepared on this point if Foreign Minister brings it up.
